Year 5 news

Year 5 have been making ski lifts in Design Technology (DT).

Year 6 visit Wearside Farm

Year 6 enjoyed a visit to Wearside Farm this week. They had the opportunity to make their own mashed potato (and some groups found out that putting a whole pot of pepper in wasn't the best idea!) They were also lucky enough to enjoy a delicious carvery dinner afterwards. When we returned to school that afternoon, the children applied what they had learned by designing some fantastic healthy eating leaflets.

Photo consent: Wearside Farm have asked for permission to use photographs of your children from this visit in their own in-house advertising and on their social media sites. We have sent a letter out about this as well. If you do not wish your child to be included, please contact the school by the end of day on Monday 17th October

Erasmus Exchange Visit to Germany

Here you can see a photograph of Hannah Walt and Ashleigh Simpson in Buchloe, Germany. The two girls are having a great time meeting new friends from our partner countries. Both girls are a credit to the school and to their family at home. I'm very proud of them both.

Into the Woods Project

Mr Bell has been hard at work to build the children a story-teller chair to accompany the den the children have been building in our wooded area.

Reception children were the first group today to use the chair to tell stories to their friends. We are looking for volunteers for our Forest School development. Please contact the school office if you are interested in joining this exciting project.
