Halloween – 31st October

This year, Halloween falls on a school day – the first Monday after half term. We would like to invite your child to come to school in fancy dress and will also be holding a 'Halloween Disco' from 3 – 5pm. We will have to limit numbers for the disco so be sure to get your tickets early. They will be available from the school office between Wednesday 12th October and Friday 21st October. We will not be able to grant tickets after this date as we will need to know numbers for prizes and catering.

It won't be long until we enjoy our annual visit to Derwent Hill. I would like to invite parents/carers of those who are attending, to a meeting at 5pm on Wednesday 28th September.

Digital School Meals Pre-order System

Due to unforeseen circumstances the new school ordering system – Evolve will not commence on the 26th September but will start on the 3rd October.

Your first order will be placed **next Friday 23rd September** for the meals your child will receive week beginning **Monday 3rd October**.

Letters with information on how to use the Evolve system will be sent home on Friday 16th September along with an activation code for you to use. If you have any queries, please do not hesitate to contact the school office.

Bikes and Scooter.

Please remember all bikes and scooters brought to school are left at your own risk. School is unable to take responsibility for these items. They should be safely stored in the bike shed using a bike lock. They should also be clearly labeled with your child's name or have a clearly distinguishable mark or tag so you can identify them without any confusion.

Thanks as always for your continued support.

Mrs Hunter.

Year 3

Year 3 have been learning about Roald Dahl, our 'Feature Author' this week. We had a very exciting lesson in the woods looking for clues and collecting facts about his interesting life.

We are all Roald Dahl experts now !

Year 4

Year 4 have been learning about a new artist, Georgia O'Keeffe. They have been working hard on the skills they need to produce a painting just like her! They have practiced brush strokes and they have even made their own viewfinder to zoom in on certain parts of an image, to paint... but some zoomed in on their faces first!

Year 1

Year one have been looking at the artist Kandinsky. They have experimenting with mixing primary colours to make secondary colours. They also made tints and tones of different colours.

YEAR 2

What a brilliant start we have had in year 2. This week we went outside and sketched maps of our school grounds. It was a little bit tricky drawing at first as we had to imagine we were a bird and draw everything from a bird's eye view. Everyone did an excellent job and showed great determination.

Year 6

Year 6 had a 'big space' maths activity this week where they became human numbers! They applied their knowledge of place value to complete a range of different challenges.
