CHILDREN RETURN TO SCHOOL

Happy Birthday to the children who have had Birthdays this week:

Bobby Joe Elstob

Savannah-Jess Anderson

Evie-Mae Hopps-Stubbs

Aaliyah McDermott

School Council

Classes have voted for our annual school council representatives, and they are:

Y6 – Lydia Andrews

Y5 – Kaycie Shipley

Y4 – Lila Potts

Y3 – Skye Bolden

Y2 – Ivy Potts

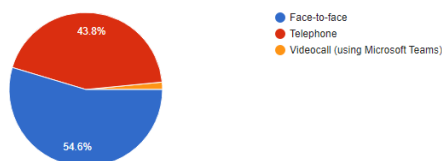

Y1 – Jenson Hutchinson and Skylar Welsh

Their first task is to consider ways that we can save energy usage (and costs) both in school and at home and think about how we can share our ideas (eg assembly, posters). Please talk to your children about this and ask them to pass on their ideas to the school council so they can share these at our next meeting.

Parental Appointments

Thank you so much to those of you who responded to the very brief questionnaire sent out this week. We received an amazing 130 responses in a very short period.

Because there was a pretty even split between the number of you preferring telephone and face to face appointments, we have decided to offer you both. We will be in touch shortly for you to book your appointment.

Children in Need – Friday 18th November

This year we will be dressing in spots/own clothes and will be accepting donations in buckets on the school yard. We also plan on hosting a cake sale and will be gratefully accepting donations of cakes for us to sell.

Attendance Awards

Congratulations to the following classes for the best attendance for week ending 23rd September:

KS1:Rec 97.08%

KS2:Y4 97.32%

Heroes of the Week

Well done to the children who won this week:

- Lacey Mae Leadbitter

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

Look at our amazing new sandpit!!

A huge thank you to Mr Bell for making it over the summer. The children are loving it. Any donations of toys for the sandpit would be hugely appreciated. 😊

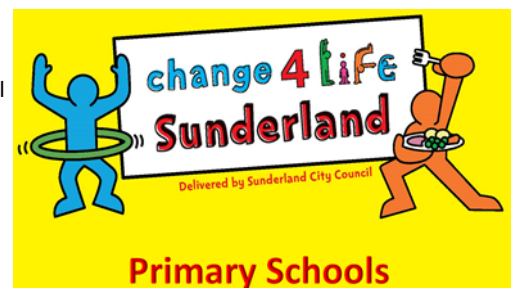

Year 2

Year 2 had a great time learning about the world map. We made 3D globes using oranges then peeled the skin to show the world map.

Year 6

Year 6 enjoyed a visit from Chloe at Change4Life who spoke to class about staying healthy as part of our science topic. It was a very interesting session although we were all shocked at how much sugar could affect your body. We were very proud of how well the year 6 children listened and participated. Well done!

Year 6 Art

Year 6 had a great time making their Greek theatre masks this week in art. They really showed their understanding of what the masks needed to look like and thought carefully about the tools and techniques they used.

Year 4

This week we had a special performance by our choir members, who have been learning new skills each week to put together a final performance.
