INSET—NO CHILDREN

Thursday 5th Jan 2023

CHILDREN RETURN TO SCHOOL

W/B 8th May 2023

KS2 SATS -

PLEASE DO NOT BOOK HOLIDAYS

School Council

The school council have been working hard to gather ideas of ways to save energy in school and at home. This week they have made posters that will be used around the school to remind people to turn off the lights. I could do with some of these at home too!

Look out for other ideas in the coming weeks.

Year 6

Year 6 completed a science experiment this week linked to our work about the circulatory system. We measured our resting heart beats before exercise then repeated the measurements over time after

Coats/Uniform

Wednesday, Thursday and Friday next week, from 8.20am there will be a range of uniform items and coats outside of the main office. Many of these are brand new! Please feel free to help yourselves, free of charge.

Thank you to everyone who was able to donate items.

Heroes of the Week

Well done to the children who won this week:

- Ellis Ward
- Jaxon Smith
- Aiden McMahon
- Lucy Jones
- Jessica Mascoll
- Hope Forster
- Connor Smith
- Lucy Chadburn

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

Swimming

In at the Deep End are running a teachers course at Castle View over half term, Monday – Friday. If anyone is interested in being a swimmer in a small group, lessons are between 1 – 3 each day at a cost of £10.00 for the week. If you are interested, please contact Mrs Holland at school who will pass on your name to the organisers.

Attendance Awards

Congratulations to the following classes for the best attendance for week ending 7th October:

KS1:Rec	93.70%
KS2:Y5	94.80%

Happy Birthday to the children who have had Birthdays this week:

Heidi	Whittle
Theo	Dawes
Thomas	Robins
Skye	Bolden
Lucy	Taylor

Please meet the OPAL team. They are committed to ensuring all children have the best play experiences. They each have an area to monitor and are doing a fantastic job. A huge well done and keep up the great work.

Year 1

Year one have been learning all about plants. We went into our woods on a 'plant / not plant' hunt.

Nursery

This week Nursery went on their first ever school trip to Seven Stories. We enjoyed looking around the museum but when we got there, there was a bit of a mix up with the workshop we had booked, so instead of a nursery rhyme workshop we joined in with one about the seasons! We still had a really good time and because of the mix up they have offered us a free trip back and will even pay for the bus for us so we are very excited to go again soon!

Year 4

Year 4 had a big space maths lesson this week, looking at multiples of 100. They were all given a number card and had to work as a team to get in the correct order. Then, some children were given a random number and they had to work together to slot themselves in between the appropriate multiples of 100.
