### Year 6

Year 6 had a Big Space maths lesson this week making large scale decimal number lines. We were set a series of challenges to create a range of decimal number lines including estimating and reasoning about the location of some numbers.

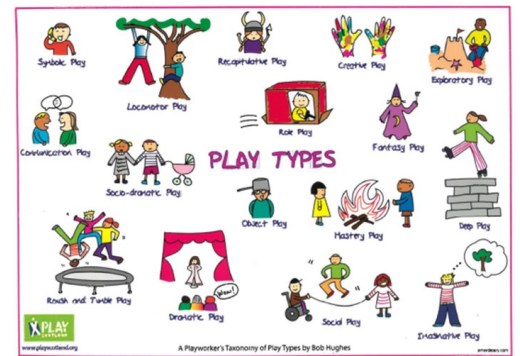

### Year 4

Year 4 have been taking part in World Cup maths, where we combine exercise with maths. The children really enjoy it and show enthusiasm! At the end of the sessions, we complete a breathing activity to let our bodies relax.

### OPAL update

We are working hard to build on our current OPAL provision and we are hoping to get all play types on our yard. Stay tuned for exciting updates that may include some music on our yard. We can not wait.

### OPAL Superstar

The OPAL Superstar award to someone who has showed a real commitment to OPAL and being a positive role model to others.

The winner for this week is :
