Smoking/Vaping

I have been made aware of parents standing at the school gates smoking/vaping. Please be considerate of others and find a more appropriate place to do this.

Easter Activities

In the week leading up to the Easter Holidays, we will be enjoying a number of activities in school. We will be decorating eggs in school during that week but also invite you to send in your decorated eggs from home on Wednesday 29th March, for judging.

We will not be holding an Easter service this year, instead our drama club/choir will be performing for us during the day for school children and a 5pm performance for parents etc. Tickets will be available soon.

World Book Day

Thanks again for supporting your children to decorate their white t-shirts for World Book Day. They were amazing and the children really enjoyed wearing them and talking about their favourite books. During the day, children took part in other activities too, including selecting which of our teachers they wanted to hear read their favourite book.

Please remember to send your child's white t-shirt back to school for our next window display.

Year 6

Here are our lovely year 6 class on their very last World Book Day in Hylton Castle Primary School. Your t-shirts were fantastic!

Heroes of the Week

Well done to the children who won this week:

- Alice Skelton
- Lila Potts
- Joey Smith
- Amelia Smith

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

SEND

For any SEN concerns, please speak to your child's class teacher in the first instance. In my role as SENDCO, you can also speak to me about any SEN concerns that you may have linked to your child. I have a phone call drop in session between 12 and 12.30 on a Monday lunchtime, please ring the school office and asked to be transferred to me and I will be happy to support you. If you would prefer a face-to-face meeting, then this can be arranged.

Thanks,
Mrs Meldrum

OPAL update

We have had lots of OPAL fun this week! 😊

Year 2

This week year 2 investigated 'What happens to our heart rate when we exercise?' We measured our heart rate after completing 5 different activities and noticed that each time our heart rate was quicker. It was a great and tiring investigation!
