Year 6

Year 6 enjoyed investigating if different liquids effect the size of a gummy bear for British Science Week. We measured the gummy bears every hour to see how they changed when they were in lemonade, orange juice and water. We already have some great ideas for follow up enquiries.

Football Team

It has been a busy week for our football team with two games in two days. We hosted Benedict Biscope on Wednesday and showed great team spirit in our first match of the season and on Thursday it was the quarter final of the Watson Cup at St. Mary's. The team didn't stop running for 40 minutes and despite a fantastic long-range strike from Oscar and a great team performance, we were unable to get the win.

Also, on Thursday we had our Year 4/5 football team take part in the annual Castle View Football Tournament. Our pupils received coaching from Castle View football academy pupils in the morning and then took part in a football tournament in the afternoon. After a narrow defeat in the first match the team bounced back and reached the semi-final without conceding a goal in 3 matches.

Unfortunately, we were knocked out in a sudden death penalty shootout but finished the tournament in a fantastic fourth place.

Year 2

Year 2 had a wonderful trip to the Botanic Gardens. We learnt lots about mini beasts and their habitats and even got the chance to find some ourselves.

At the end we were all brave and held some minibeasts. It was a lot of fun!

Year 6

For one last time, year 6 made their school entries for the Easter egg competition. I loved how creative some of our children were! Enjoy your final Easter in primary school year 6.

Year 4

Year 4 took part in the skipping tournament at the Beacon of Light! Every child has worked so hard to improve their skipping skills over the last few months in preparation for this event. The children were full of team spirit, chanting for their school/peers to cheer them on. We came home with lots of certificates, some bronze, some silver and some gold! It was a great day out and all the children had a fantastic time skipping 😊
