Year 2

As part of our D.T, year 2 have been learning about mechanisms. We have made moving pictures using sliders, levers and pivots.

Everyone has enjoyed it and can't wait to start their own card.

Sports Day

The dates for our Sports Days this year are below and parents are very welcome to join us on the school field.

- Y1 – Y6 – Wednesday 5th July 1.30pm
- EYFS - Friday 7th July 9.30am

Please note: All nursery children will be in school on the morning session only that day. There will be no afternoon session.

Heroes of the Week

Well done to the children who won this week:

- James Paul
- Autumn Clark
- Franklin Morse
- Harper Burnicle
- Bobby Baker
- Heidi Lane
- Kaycie Shipley
- Amelia Herron

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

Attendance Awards

Congratulations to the following classes for the best attendance for week ending 12th May:

KS1: Y2	97.220%
KS2: Y6	95.69%

Happy Birthday to the children who have birthdays this week:

Gracie	Bell
Aaron	Muldown
Jack	Gill
Franklin	Morse
Kaycie	Shipley

OPAL Superstar

The OPAL Superstar award is awarded to someone who has showed a real commitment to OPAL and being a positive role model to others.

The winner for this week is :

- Broden Graham

A huge well done and keep it up. 😊

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

Matched funding/ Matched giving.

OPAL update

As you know we are always trying to develop our OPAL areas to give our children the best possible play experiences. Some companies offer match giving or matched funding opportunities to employees to support local charities and projects. Lloyds Bank is one of these employees as is Morrisons. If you work for any company that offers this service and would be happy to support us in our OPAL development please get in touch with Mrs Hunter at info@hyltoncastleprimary.org.uk

Thanks in advance 😊

We are currently developing our home corner, any donations of blankets and cushions would be amazing.

Many thanks.

Year 6

Year 6 had a bread tasting lesson this week to try out lots of different flavourings which can be used in and on bread dough before it is baked. Lots of children enjoyed the cheese and onion and tomato bread but not many were keen on the olives or the cranberry! We'll now use this lesson to create our own bread recipes deciding which flavours we would like to add and which ones we'll definitely be avoiding!

Year 4

Year 4 had a special visitor in school. Angela's Ark supported us in our Science topic, 'Living things and their habitats'. The children were worried to hold some of the animals at first but by the end of the session, all children were so confident and every child held/ touched more than one animal. They shared their own facts with Angela and she also gave the children many new facts about the animals, which they are keen to share at home. Angela brought: a python, a corn snake, guinea pigs (including skinny pigs, even some baby ones), geckos, giant snails, rabbits and many more. Some of the children had the opportunity to feed Willow the chameleon. They were so brave. The children have thoroughly enjoyed their visit from Angela's Ark. Children can visit Angela outside of school too 😊
