OPAL Update

A huge thank you to everyone who attended our OPAL celebration event. It was amazing to see so many of you engaging in play. We hope you enjoyed the session and want to thank you for your continued support. As always we are always after donations. We are desperate to expand our water area so any guttering, pipes, buckets and watering cans are hugely welcomed.

Tub2Pub Drop-off Point

Farmhouse Inns are raising money for Macmillan Cancer Support whilst recycling thousands of plastic tubs!

Please bring your clean and empty tubs to us and we will take them to one of the participating where they will have them taken for recycling, turned into products and all proceedings go to Macmillan.

Year 5

Year 5 have had a great start back to the new term. We started our new geography topic, earthquakes and tsunamis and the children had great fun trying to work out how tectonic plates move.
