Break up for summer holiday

Nursery

After reading The Very Hungry Caterpillar in nursery we wanted to look at the life cycle of a caterpillar in more detail. We received our own caterpillars to look after last week and they have grown so much already! We look at them every day to see how much food they have eaten and where they are wriggling around to. We cannot wait to see them eventually turn into butterflies.

OPAL Update

OPAL club had lots of fun this week. We each chose our own little figure. Our challenge was to make them a home that would keep them dry in a rainstorm. We were extremely creative and some of us added different levels to our home and decorative items! We made sure they were strong, and all had a roof

We then tested our homes and used a watering can to add the rain! We had so much fun! 😊

Path to Paris

The Y3 and 4 children are well on their way to Paris. Their challenge is to travel (run, skip, walk, jump etc) 555 miles which is the distance from here to Paris. This week, they have enjoyed sessions with Stacey and Colin from Keep Active and also had a session with England Lioness, Demi Stokes!

Year 3

Year 3 have had an amazing week getting active for the 'Pathway to Paris' programme run by Sunderland Keep Active initiative. Our aim is to complete enough physical activity sessions in the next two weeks to equate to the 555 miles it takes to walk from here to Paris. Every 15mins of activity that each child completes counts for 1 mile so we have had to work very hard. Mrs. Masters has been so proud of all of our hard work and we are well on our way to achieving our target.
